GFC Floor Counting Scales

The GFC is a fully featured counting scale with numeric keypad for unit weight and sample entry. The bright large backlit display shows unit weight, total weight and number of pieces. A grade 304 stainless steel top pan with mild steel base and pillar mounted ABS plastic indicator, make the GFC a durable industrial floor counting scale.

With features that are built to make counting quick and easy the GFC offers check counting for counting to a predefined weight or count. The RS-232 interface makes recording the results effortless with connection to printers and computers.

Adam Equipment has been manufacturing balances and scales for over 35 years, providing professionals worldwide with quality products that are always the right balance of speed, performance, and value.

ADAM®
THE RIGHT BALANCE
Speed, Performance, Value

GFC Highlights:

Transmit information to computers and printers with the built in bi-directional RS-232 interface, for easy data recording and logging.

A large backlit display clearly shows unit weight, weight and pieces for quick and easy readings making counting applications simple and trouble free.

Color coded keypad make frequently used buttons instantly recognized for accuracy and the smart user interface makes learning and operating the scale simple and easy to do.

A large stainless steel top pan can be removed for easy cleaning. A built in rechargeable battery means the GFC can be used where the parts are.
GFC floor counting scales makes quick work out of counting parts for greater efficiency.
Features

- Freely selectable sample size through keypad
- Bi-directional RS-232
- Backlit LCD display shows, weight, average piece weight and number of pieces counted.
- Rechargeable battery up to 70 hours of usage

Technical Specifications

Model	GFC 75	GFC 150	GFC 300
Capacity	75kg	150kg	300kg
Readability	5g	10g	20g
Repeatability (S.D.)	5g	10g	20g
Linearity (+/-)	10g	20g	40g
Pan Size	400 x 500mm		
Weighing Units	Kilograms (kg)		
Stabilisation Time	2-3 Secs		
Calibration	Automatic External		
Display	Large Backlit Display		
Power Supply	Internal Transformer 220V / 6v 4Ah Rechargeable Battery		
Operating Temperature	-10°C to 40°C		
Housing	Indicator: ABS Plastics Top Pan: Grade 304 Stainless Steel Base: Painted Mild Steel		
Overall Dimensions	860 x 400 x 620mm		
Net Weight	12.46kg		

Accessories

- Adam Printer
- Replacement Paper (5 pack)
- In-use cover
